

(d) A defense article authorized for importation under this part may not be shipped on a vessel, aircraft or other means or conveyance which is owned or operated by, or leased to or from, any of the countries or areas covered by paragraph (a) of this section.

(e) Applications for permits to import articles that were manufactured in, or have been in, a country or area proscribed under this section may be approved where the articles are covered by Category I(a) of the Import List (other than those subject to the provisions of 27 CFR Part 179), are importable as curios or relics under the provisions of 27 CFR 178.118, and meet the following criteria:

(1) The articles were manufactured in a proscribed country or area prior to the date, as established by the Department of State, the country or area became proscribed, or, were manufactured in a non-proscribed country or area; and

(2) The articles have been stored for the five year period immediately prior to importation in a non-proscribed country or area.

(f) Applicants desiring to import articles claimed to meet the criteria specified in paragraph (e) of this section shall explain, and certify to, how the firearms meet the criteria. The certification statement will be prepared in letter form, executed under the penalties of perjury, and submitted to the Director at the time application is made for an import permit. The certification statement must be accompanied by documentary information on the country or area of original manufacture and on the country or area of storage for the five year period immediately prior to importation. Such information may, for example, include a verifiable statement in the English language of a government official or any other person having knowledge of the date and place of manufacture and/or the place of storage; a warehouse receipt or other document which provides the required history of storage; and any other document that the applicant believes substantiates the place and date of manufacture and the place of storage. The Director, however, reserves the right to determine whether documentation is acceptable. Applicants

shall, when required by the Director, furnish additional documentation as may be necessary to determine whether an import permit application should be approved.

§ 47.53 Exemptions.

(a) The provisions of this part are not applicable to:

(1) Importations by the United States or any agency thereof;

(2) Importation of components for items being manufactured under contract for the Department of Defense; or

(3) Importation of articles (other than those which would be "firearms" as defined in 18 U.S.C. 921(a)(3) manufactured in foreign countries for persons in the United States pursuant to Department of State approval.

(b) Any person seeking to import articles on the U.S. Munitions Import List as exempt under paragraph (a)(2) or (3) of this section may obtain release of such articles from Customs custody by submitting, to the Customs officer with authority to release, a statement claiming the exemption accompanied by satisfactory proof of eligibility. Such proof may be in the form of a letter from the Department of Defense or State, as the case may be, confirming that the conditions of the exemption are met.
